

A DEEP COLOR PALETTE

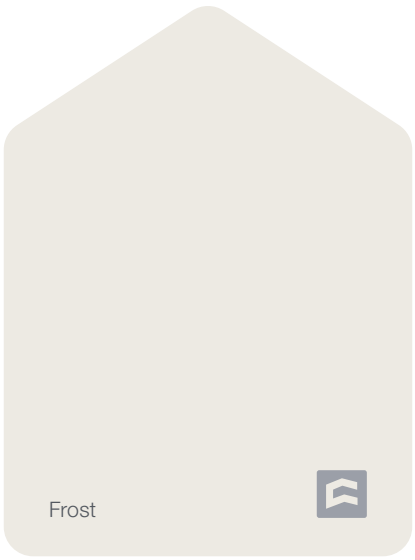

WITH WORLD-CLASS ENDURANCE.

Celect delivers a versatile color palette, protected by an industry-best Kynar Aquatec® finish that ensures the color will truly last.

- **Factory-applied, designer-inspired colors**
- **Best-in-class fade resistance: Kynar Aquatec is formulated to keep paint colors true for as long as you own your home**
- **25-year warranty on the finish**
- **Requires no painting—unlike most other siding choices**

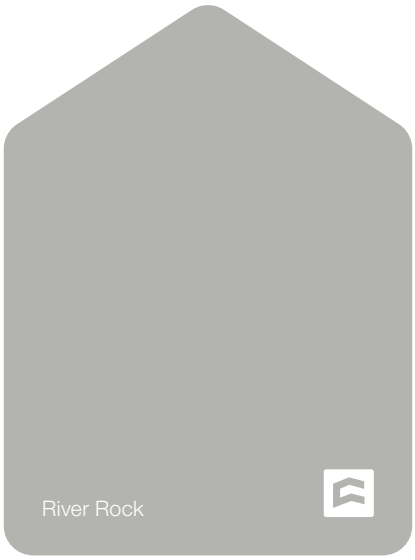

Actual siding color may vary slightly from printed brochure.

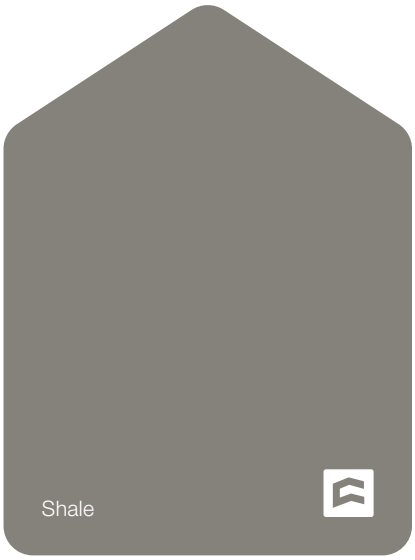

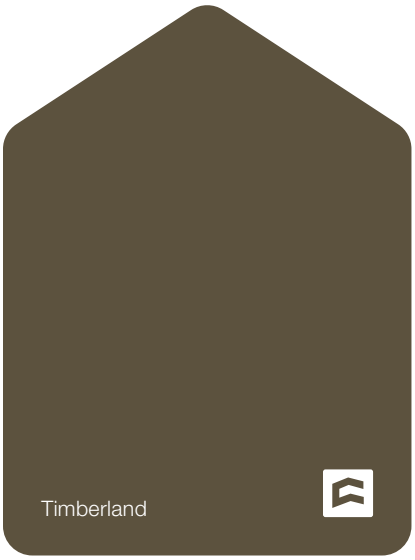

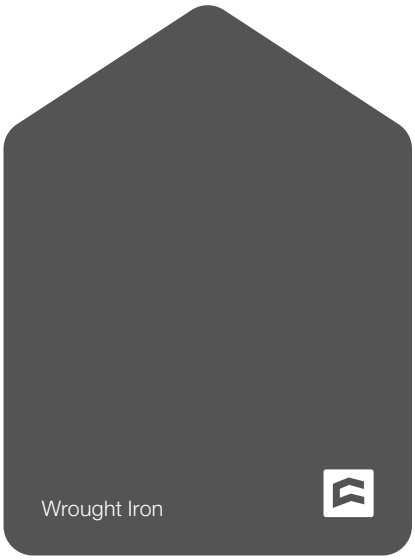

Actual siding color may vary slightly from printed brochure.

PERFECT PRESENCE.

- **Wood-like profile range and full array of prefinished colors**
- **Best-in-class virtually seamless interlocking design**
- **Low-gloss look from Kynar Aquatec® finish that outperforms the fade resistance of acrylic paint**

LOW MAINTENANCE LIVING.

- **Cellular composite design absorbs virtually no water**
- **Kynar Aquatec® finish resists dirt and mildew better than other painted products**
- **Requires no repainting or recaulking, unlike most other siding choices**
- **Extremely low maintenance engineered to save money over the long haul**

PERFORMS AS FLAWLESSLY AS IT LOOKS.

- **Proprietary design provides the tightest seams in the industry**
- **Cellular composite design stands up to whatever impact life dishes out**
- **Gravity lock technology delivers incredibly high wind resistance without ugly face nails**
