FOUNDRY®
SPECIALTY SIDING

FOUNDRY COMBINES THE HIGHEST DEGREE OF CEDAR WARMTH AND COLOR DEPTH WITH THE LOWEST AMOUNT OF MAINTENANCE.

WELCOME TO SHINGLE AND SHAKE SIDING ON ANOTHER LEVEL.

Grayne Shingle 5" In Aspen Brown 405

ENDLESS DESIGN POTENTIAL

FULLY REALIZED

Foundry commands attention by delivering on every style aspect of cedar—from the classic elegance of cut shingles to the rugged look of split shake. The beauty and curb appeal come effortlessly with single course panels and the longest repeat pattern in the industry, along with molds cast from real wood shakes and shingles to create a virtually seamless design.

- **Replicates the beautiful texture of shake**
- **Complete array of shake and shingle designs**
- **Widest array of colors, including solid and weathered**
- **Colors match all major siding brands**
- **Molds cast from real wood shakes and shingles**
- **Virtually seamless design**
- **40 linear feet without repetition - best in class**

SHINGLES

GRAYNE SHINGLE SIDING

AS REAL AS IT GETS

With its undeniable presence and true and weathered color selection, Grayne Shingle Siding gorgeously replicates the look of cedar. It features a realistic woodgrain you have to see and touch to appreciate. It's also easy to install and designed for minimal waste and little maintenance.

Actual siding color may vary slightly from printed brochure.

SHAKE

SPLIT SHAKE SIDING

HANDCRAFTED HEAD TURNER

Our Split Shake Siding uses its extra-deep shadow lines and rustic cut edges to lend homes beauty and drama. This is the essential aesthetic of cedar color and form that lasts for the life of your siding.

Colonial Grey 837

Actual siding color may vary slightly from printed brochure.

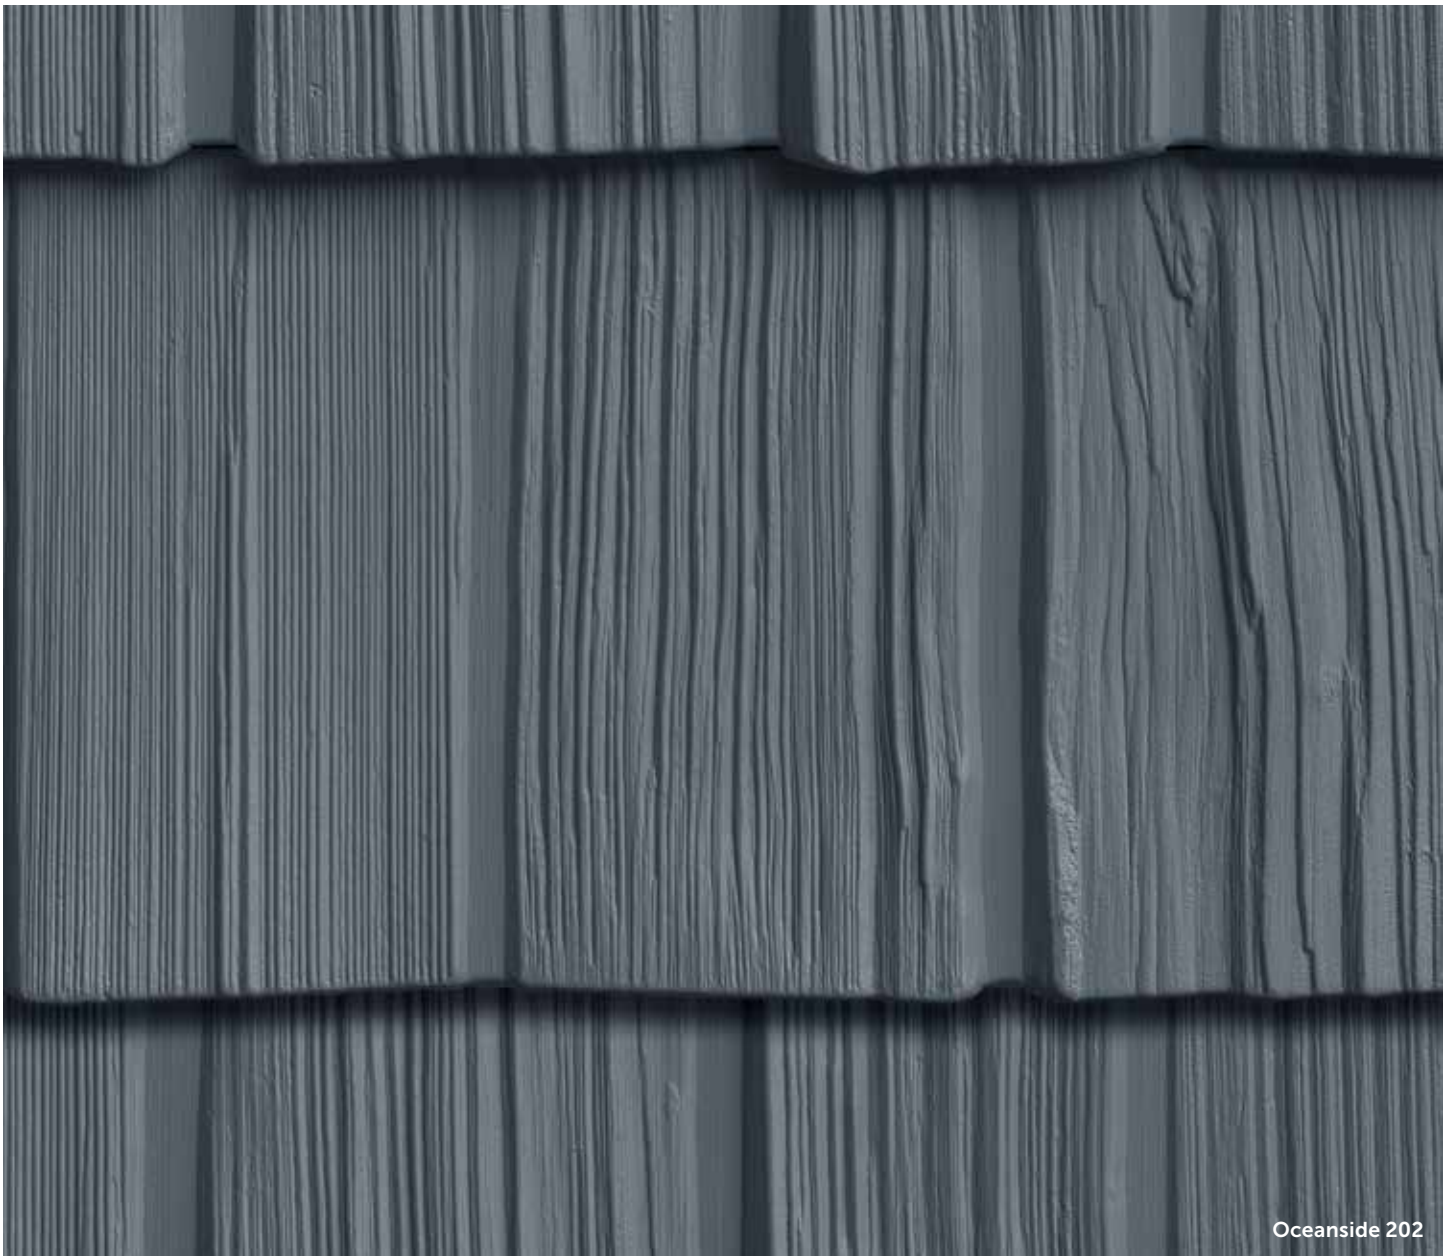

Split Shake 7" In Colonial Grey 837

SHAKE

STAGGERED SHAKE SIDING

CAPTURE THE SPIRIT OF CEDAR

Staggered Shake Siding celebrates the uneven cuts, random woodgrain textures and offset spacing that make hand-split cedar shakes so dramatic and compelling. Choose from two large profiles that work as whole-house or accent applications.

Oceanside 202

Actual siding color may vary slightly from printed brochure.

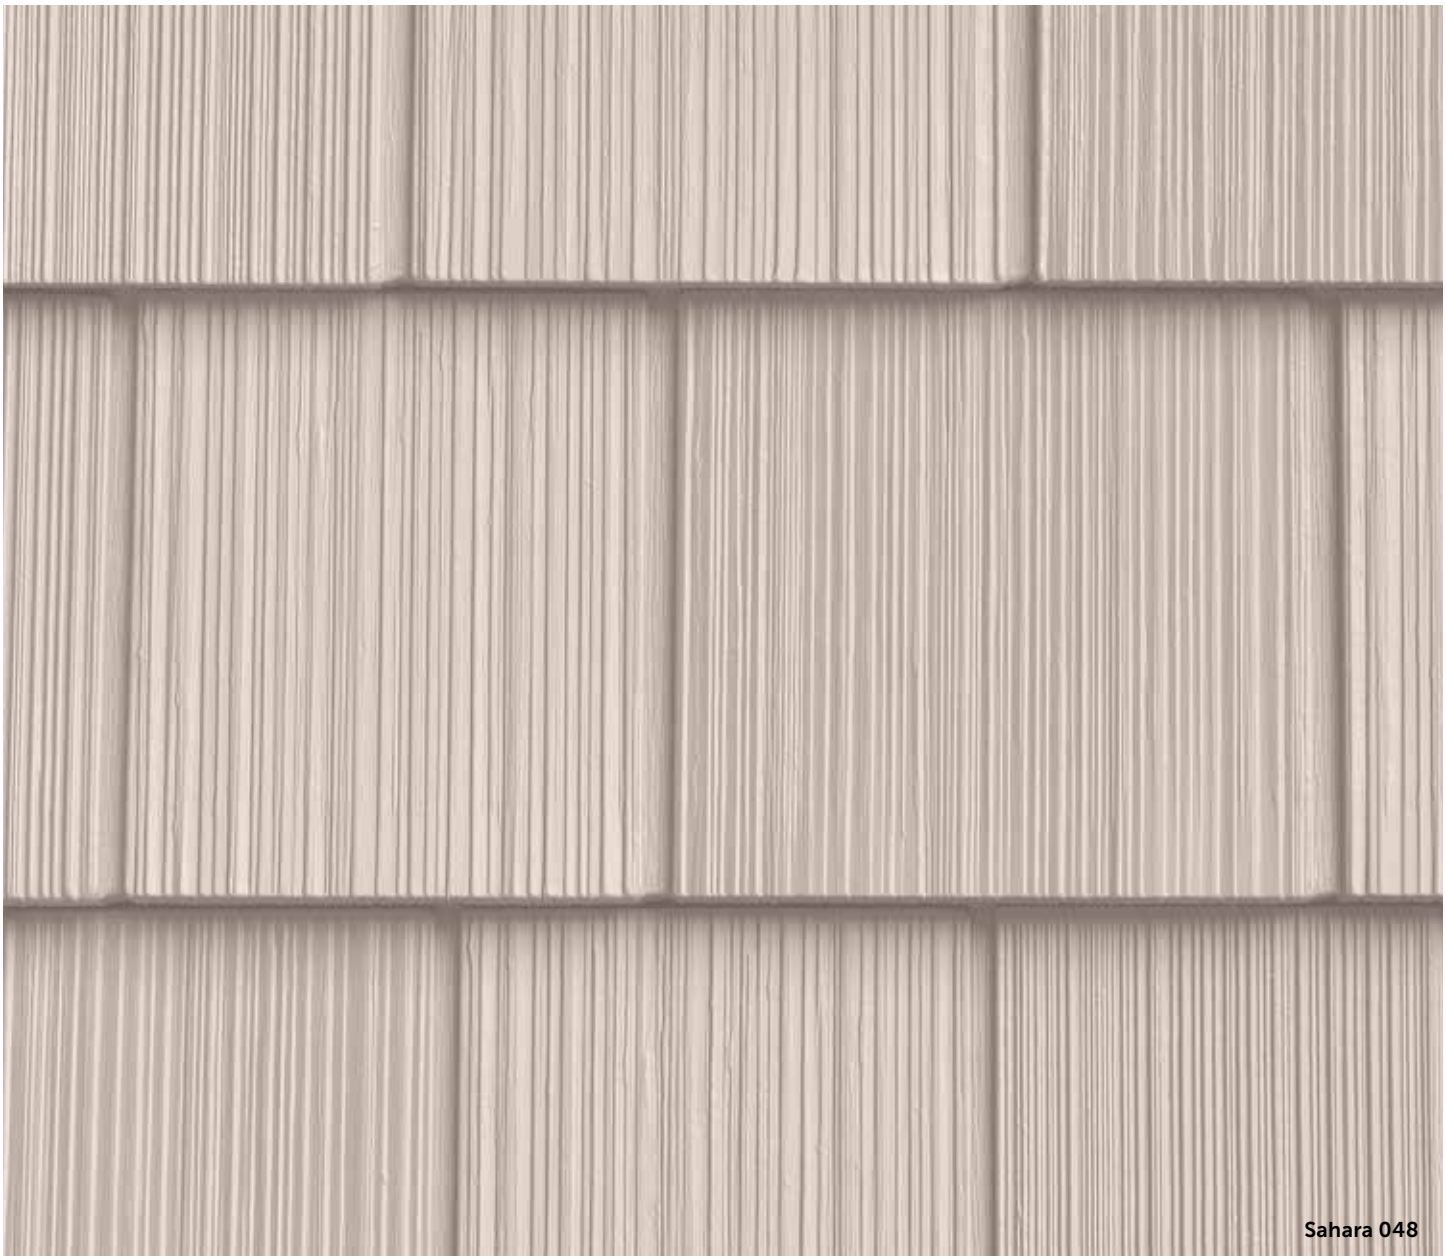

Staggered Shake 10" In Snow 123

SHINGLES

PERFECTION SHINGLE SIDING

BIG ON CHARACTER

Perfection Shingles blend the deep, vertical shadow lines of split cedar shakes with the refined look of cedar shingles. The 7" profile makes these shingles ideal for whole-home applications or as an accent to add a touch of rustic beauty.

Sahara 048

Actual siding color may vary slightly from printed brochure.
